Move towards the ball to back up LF

Move to back up an errant throw

- The Shortstop covers 3rd base, but is ready to go out for a cut-off if the Left Fielder miss-plays the ball.
- The 2nd Baseman covers 2nd base.
- The 3rd Baseman takes his position as the cut-off man to Home.
- The 1st Baseman takes his "normal" position to try to make the hitter take a wider turn around 1st base.

- The Catcher lines up the 3rd Baseman and calls the play (ie: CUT HOME).
If the Catcher DOES NOT say anything, the cut-off man should let the ball go.
- The Pitcher backs up Home.
